

# Companion Care

## Same Day Surgery Assistance

- Transportation to facility
- Remain at facility during the entire procedure
- Pick up any necessary prescriptions
- Transportation home
- Make you comfortable at home

In the busy world that we live in, Companion Care is there when your family or friends are not available to assist you with your medical needs.

Call **Companion Care** at **(219) 836-2783**  
to schedule a Companion for your next medical procedure

**The service is a maximum of 8 hours and must be booked in advance**

*Serving the community since 1984*  
*Insured / Bonded*
